Book four in the Luecross Wolves Series What is Ophelia to do when she comes into her mating heat and is irresistible to every male in her pack? Ophelia realises she has just come into her mating heat and that she will not be able to resist the arousal that it causes. Being irresistible to every male in her tribe would be any girls dream come true, but when the two men she lusts after the most don't show an interest, Ophelia must decide if she can let her inhibitions go with the other males. When Chase and Xavier offer to ease Ophelia's fierce arousal, she knows that although she may not be their mate, she can't pass up their offer. She spends a pleasure filled night with the men she has always dreamed about, but when Chase and Xavier announce they have found their mate, Ophelia knows she shouldn't have let her fantasy of being with them cloud reality. Ophelia must now decide if she can finally let Chase and Xavier go and start her life with another male, or if the temptation to be with them again is too much to resist. Reader Advisory: This is the fourth book in the Luecross Wolf series, but can be read out of order. This book contains a scene of anal penetration and double penetration.
