## **Management of the Menopause** JOHN STUDD

There are few fields in which approaches to therapy are changing so rapidly and controversy is so rampant as the field of the menopause and its treatment. Like its predecessors, *The Management of the Menopause*, Third Edition is an authoritative resource for the management of the menopause in clinical practice. Leading experts contribute detailed reviews and analyses of the most controversial and important issues in the field. The book provides physicians with a reliable, lucid, and absolutely up-to-date companion to daily practice, offers a clear perspective on modern approaches to therapy, and ensures that the latest information is available to practitioners in an easily accessible format.
