Unfortunately, the divorce rate is on the rise-especially within the church! As a result, there are many single moms who daily face their own burdens of guilt and fear, all the while trying to care for their children and provide a stable home. These moms need special help, guidance, discipleship, and companionship.

There is help! This life-transforming program is a twelve-week journey for single moms-focusing on healing the past, help for the present, and hope for a confident future. New Start for Single Moms is a program that pairs a mentor and a single mom together to explore potential, meet daily challenges, build peaceful homes, and accomplish dreams. Diane Strack wants single moms to understand that they are not alone and that they can be successful in raising their children and overcoming past obstacles.
