Scraps Judy Martin

Scraps features 16 new and original Judy Martin designs. Every quilt is presented in 3 sizes so you can make the design you like in the size you want. You are given your choice of accurate rotary cutting instructions or templates. Fat quarter requirements and yardage are listed for every quilt in every size. Color diagrams show piecing details. And every pattern is rated for ease of cutting, ease of sewing, and ease of thinking.

Perhaps the greatest challenge with Scraps is in deciding which quilt to make first! Several quilts feature shadows and other dimensional effects that make patches appear to float over the surface of the quilt. You'll find an abundance of stars, including a magnificent Lone Star. In addition you'll see a Log Cabin, a Wedding Ring variation (with no curves!), an exotic Nine-Patch, a beautiful flower quilt, and much more.

Scraps is more than just patterns. The upfront material draws upon Judy's 37 years of making quilts from scraps. She offers basic quilting information plus scrap quilt cutting strategies, techniques for sewing with scraps, suggestions for building and organizing your stash, and ideas for working with color and style in scraps.

Whether you're looking for a pattern that is clearly simple, surprisingly easy, or stunningly beautiful, your next quilt should be made from Scraps.

From reader reviews:

Alma Hillyer:

Why don't make it to become your habit? Right now, try to prepare your time to do the important work, like looking for your favorite reserve and reading a e-book. Beside you can solve your long lasting problem; you can add your knowledge by the guide entitled Scraps. Try to make book Scraps as your buddy. It means that it can to get your friend when you experience alone and beside that of course make you smarter than ever. Yeah, it is very fortunated in your case. The book makes you more confidence because you can know every little thing by the book. So , we should make new experience and also knowledge with this book.

Elliott Townsend:

The book Scraps can give more knowledge and also the precise product information about everything you want. So why must we leave a very important thing like a book Scraps? A number of you have a different opinion about guide. But one aim which book can give many information for us. It is absolutely correct. Right now, try to closer along with your book. Knowledge or info that you take for that, you are able to give for each other; you could share all of these. Book Scraps has simple shape but you know: it has great and big function for you. You can seem the enormous world by open and read a e-book. So it is very wonderful.

Frank Quintana:

This Scraps book is not ordinary book, you have after that it the world is in your hands. The benefit you will get by reading this book will be information inside this reserve incredible fresh, you will get details which is getting deeper an individual read a lot of information you will get. That Scraps without we know teach the one who examining it become critical in considering and analyzing. Don't always be worry Scraps can bring whenever you are and not make your bag space or bookshelves' come to be full because you can have it with your lovely laptop even mobile phone. This Scraps having great arrangement in word in addition to layout, so you will not sense uninterested in reading.

Earnest Koontz:

Nowadays reading books be a little more than want or need but also become a life style. This reading habit give you lot of advantages. The advantages you got of course the knowledge even the information inside the book in which improve your knowledge and information. The data you get based on what kind of e-book you read, if you want have more knowledge just go with schooling books but if you want truly feel happy read one using theme for entertaining for instance comic or novel. The particular Scraps is kind of guide which is giving the reader unstable experience.
