The Master Speaks: Jesus Tells His Own Story Frank Charles Laubach

2013 Reprint of 1956 Edition. Exact facsimile of the original edition, not reproduced with Optical Recognition Software. Laubach was famous as an advocate for worldwide literacy. He is also a well known writer on the topics of religion and spirituality. This work comes from an idea that occurred to him that the Four Gospels could, without distortion, be rendered into the First Person. Firmly based on Dr. Goodspeed's well-known translation, Laubach has combined the Four Gospels into a continuous narrative so that the life of Jesus appears in the form of an "autobiography". Lovingly written, it brings the Man Jesus closer to us and our daily experiences.
