## **Amapá (Portuguese Edition)** Nino Tad

Centenas de anos atrás, na era pré-colombiana, um povo misterioso ocupava uma área do norte da América do Sul, que hoje conhecemos como Amapá. Há muito que haviam deixado de ser guerreiros para se transformar em seres das grutas da região do Maracá, em consequência dos frequentes ataques de povos vindos da região do sol nascente (provavelmente Caribe), que dominavam uma grande extensão de terra às margens do que se conhece hoje como Rio Jarí, e povos vindos do sul, do que seria hoje a região do Pará. A bravura, a resistência aos ataques e a honradez desse povo os tornou conhecidos como “O Povo de Baixo”. Com o passar dos anos, as frequentes lutas acabaram por dizimar muitos de seus excedentes e os novos donos da terra ganharam força para os empurrar para dentro das grutas depois de várias escaramuças, onde sempre estavam em desvantagem.

Na tentativa de defender seu povo, guerreiros remanescentes do “Povo de Baixo” retornaram à terra de seus ancestrais, na busca por ajuda e na esperança de voltar a ser a nação poderosa que outrora fora. Muitas luas se passaram sem que os guerreiros tivessem retornado, até que Zhara, uma misteriosa guerreira, e Samuca, um premiado biólogo começam a reescrever a história de seu povo e dessa importante nação.

A Lenda do Povo de Baixo é uma trama mística e envolvente, que revela um ameaçador plano de internacionalização da Amazônia, em um labirinto de assuntos que desperta a curiosidade do leitor para temas como extração ilegal de recursos naturais, tráfico de drogas, exploração sexual de menores, corrupção no Congresso, biopirataria e uma infinidade de assuntos que podem mudar para sempre a nossa concepção da origem humana e mostrar que a construção do ser é também uma questão de respeito e de evolução pelo conhecimento.
