From God To Us Revised and Expanded: How We Got Our Bible

Norman L. Geisler, William E. Nix

From God To Us Revised and Expanded: How We Got Our Bible Norman L. Geisler, William E. Nix

Where did the Bible come from? How do we know the right books are in the Bible? Does the Bible contain errors? What are the oldest copies we have of the Bible? How do we know that the Bible hasn't been changed over the years? Why are there so many translations of the Bible, and which one should I use?

These are just some of the important questions about the Bible that are discussed in this book. Understanding basic facts about the origin of the Bible is essential for every Christian, but it can also be confusing and difficult. Here, two well-known scholars, authors of a more technical book, *A General Introduction to the Bible*, explain simply and clearly these basic facts. Inspiration, the biblical canon, major manuscripts, textual criticism, early translations, and modern versions are some of the major topics discussed. Careful explanations of important points are given throughout, as the entire field of biblical introduction is covered.

Completely updated and revised edition of the 1974 work (more than 78,000 copies sold). Helpful charts have been added, along with an index of subjects, persons, and Scripture.

This book is ideally suited for Bible students, pastors, and professors. While writing for readers without previous training, the authors do not gloss over difficult and complex issues when they arise. The nature of inspiration, the extent of the canon, and the usefulness of modern versions are all clearly discussed.

The authors write: "The chain of communication *from God to us* is strong. It has several solid links: inspiration, collection, transmission, and translations. The strength of these links provide the contemporary Christian with the moral certitude that the Spirit-inspired original text of Scripture has been providentially preserved by God so that for all practical purposes the Bible in our hands is the infallible and inerrant word of God."
