## **Todos los cuentos (Libros del Tiempo) (Spanish Edition)** Antonio Pereira

Cuentos, relatos, narraciones breves, las historias de Antonio Pereira, el viajero visionario y vitalista por los vasos comunicantes de la memoria y el sueño. Desde el deslumbramiento juvenil por Rimbaud y la literatura francesa al diálogo amistoso con sus pares, Borges o Cunqueiro. En cada página un huésped conmovedor, la emoción compasiva por los humildes, la sonriente raíz cervantina del elogio de la libertad. Un maestro de la brevedad intensa en la frontera de los géneros, con la delicadeza cómplice de quien entiende la escritura como otra forma civil de la felicidad. Esta es su iluminación tolerante, la desnuda toma de verdad como dejó escrito Vicente Aleixandre refiriéndose a la poética de Pereira. "El humor y la ironía caracterizan la mayoría de unas piezas breves, que saben concentrar su poder en la insinuación, en la sugerencia velada, en las puertas entreabiertas por las que el lector puede mirar o imaginar." Culturamas. "Una literatura que la crítica ha reconocido como imprescindible en la historia del cuento español de las tres últimas décadas del siglo XX" El País. "Todos los cuentos es un regalo para el lector." El Mundo
