Almost Hollywood: The Forgotten Story of Jacksonville, Florida Blair Miller

Blair Miller tells the story of the motion picture industry as it developed in Jacksonville after the turn of the twentieth century. *Almost Hollywood* reveals the meteoric rise of Jacksonville in early silent films. Home to over thirty studios employing actors, directors, and stagehands, Jacksonville became touted as the “winter film capital of the world” by 1915. A myriad of factors contributed to Jacksonville’s rise and then fall by the mid 1920s. What were the reasons why Jacksonville missed out as the next mecca for filmmaking? Blair Miller tells the story through primary sources from that remarkable period.
