**At an elite university, Amy Haskell has been initiated into the country's most notorious secret society. But in this power-hungry world where new blood is at the mercy of old money, hooking up with the wrong people could be fatal.**

Eli University junior Amy Haskell never expected to be tapped into Rose & Grave. She isn't rich, politically connected, or . . . well, male. So when Amy is one of the first female students to receive the distinctive black-lined invitation with the Rose & Grave seal, she's blown away. Could they really mean her?

Whisked off into an elaborate initiation rite, Amy awakens the next day to a new reality and a whole new set of "friends"--from the gorgeous son of a conservative governor to an Afrocentric lesbian activist whose society name is Thorndike. And that's when Amy starts to discover the truth about getting what you wish for. Because Rose & Grave is quickly taking her away from her familiar world of classes and keggers, fueling a feud and undermining a very promising friendship with benefits. And that's before Amy finds out that her first duty as a member of Rose & Grave is to take on a conspiracy of money and power that could, quite possibly, ruin her whole life.
