## **The School of War** Alexandre Najjar

Alexandre Najjar was eight when Lebanon erupted into a bloody and brutal conflict; he was twenty-three when the guns at last fell silent. After seven years of voluntary exile spent trying to escape the nightmare of civil war, he is now back amongst his family and friends, and the past is quickly catching up with him. As he reacquaints himself with his bullet-riddled city, Alexandre is haunted by vivid memories which he sets down with extraordinary candour and good humour. Sometimes nostalgic, often brutal and shocking, The School of War offers unforgettable insight into a child's experiences during times of conflict. 'A marvellously affecting memoir of the war in Lebanon: perfectly pitched and intensely evocative, and all the more powerful from being seen through the eyes of a child.' William Boyd Delicate and unforgettable' Elle Magazine One of the most talented writers of his generation' Le Monde
