Whether they be traditional media such as painting and calligraphy, or more sophisticated media such as digital work and installation, the pieces represent the beauty of heritage, the struggles of growing up in war-torn countries, the identity conflicts of female artists in male-dominated societies, and the issues surrounding migration to a Western culture very different from one's own.

Many of the artists included here, though their works appear in museums and galleries throughout the world, have never before been featured in a reference book.
