Catherine Stevenson:

As a student exactly feel bored in order to read. If their teacher expected them to go to the library or to make a summary for some guide, they are complained. Just very little students that have reading's spirit or real their passion. They just do what the instructor wants, like asked to the library. They go to there but nothing reading very seriously. Any student feels that reading through is not important, boring in addition to can't see colorful images on there. Yeah, it is to become complicated. A book is very important for yourself. As we know that on this time, many ways to get whatever you want. Likewise words say, many ways to reach Chinese's country. Therefore this *Pain and Addiction: A Challenging Co-Occurring Disorder* can make you experience more interested to read.

Pam Boyd:

Reading a book makes you to get more knowledge from it. You can take knowledge and information from the book. A book is composed or printed or created from each source that will fill an update of news. In this modern era like now, many ways to get information are available for you actually. From media social similar to newspaper, magazines, science e-book, encyclopedia, reference book, book and comic. You can add your knowledge by that book. Ready to spend your spare time to open your book? Or just in search of the *Pain and Addiction: A Challenging Co-Occurring Disorder* when you desired it?
