## **Carl Weber's Kingpins: ATL** Brick, Storm

The saying goes you shouldn't bite the hand that feeds you, but maybe you should if that same hand prevents you from feeding yourself.

Every territory has a king, and Metro Atlanta is no exception. Gang lords Blanket and Guerilla have been growing their numbers, never beefing until Guerilla decides to expand, thanks to the help of his enemy's own rook. Caught in the middle of this battle from different sides of the track are London and Saint.

Spoiled rich Roanoke girl London Royal is no exception to the old saying that every girl loves a bad boy and his ways. When she visits the downtrodden Jonesboro neighborhood of Goodman with her best friends, her privileged world changes drastically with one party and later, a tow-truck pickup by bad boy Santana Black.

Santana "Saint" Black is anything but a saint. Caught up in the drug game, Saint is a runner and enforcer for Blanket—not to mention he's from the wrong side of the tracks to have his sights set on London.

Can they find love in the middle of a kingpin war, or will both fall to the game of the streets?
