Exit Phillip Thomas Duck

When a sex addict decides to confess his dark compulsions to his wife, he learns that he can run, but he can't hide.

Devoted husband. Rising businessman. Sex addict.

With his life imploding, Michael Palmer is left with one option: RUN.

In recovering from his sexual addiction, Michael Palmer has the hardest time with Step Five: admitting to another human being the exact nature of his wrongs. But his dark compulsions are ruining his life, and rather than lose everything that matters to him, he confesses his dirty deeds to his wife—sordid tales of anonymous sex, degrading sex, and huge chunks of his time mired in fantasies.

Her response is surprisingly temperate. No tearful tantrums. No veiled threats. Not one mention of telling Michael's millionaire employer—who also happens to be her father—about her husband's reckless and humiliating double life. Could there possibly be a luckier man alive? Michael doubts it very seriously. So why is he on the run? Because suddenly everything is falling apart, and finding an exit is going to be tough.
