We often find it difficult to share the Gospel with those whom we do not know well or feel we do not understand. If we are confused about the needs of a particular people, it is especially awkward to attempt to witness to them about our faith. For many people, an outreach to Jewish friends and neighbors is undertaken with trepidation and uncertainty born out of ignorance and misinformation. It is our hope that this manual will help you to erase those misunderstandings and guide those who really desire to reach Jewish people with the message of salvation. The blessings that await you as you share your faith will return to you a hundred fold. God promises: "I will bless them that bless thee, and curse him that curses thee: and in thee shall all families of the earth be blessed." -- from the Preface to the First Edition.
