This historic book may have numerous typos and missing text. Purchasers can download a free scanned copy of the original book (without typos) from the publisher. Not indexed. Not illustrated. 1887 Excerpt: ...of reverie here, but I think your enchanted instrument would draw my soul even though my ears heard not the music, and my body never came in obedience to the mysterious call," she said, crossing the stone floor to the farthest corner where she threw her entire weight against a stone differing from the others only in that its surface was a trifle more regular, possessing fewer sharp projections. Dandoczy watched her curiously, being rewarded by seeing the stone slowly revolve, though no opening appeared as he had expected. Observing his mystified look, the maiden smiled and pointed, without speaking, to the opposite side of the tower where a huge stone was, by its strange removal, disclosing an aperture through which nothing was discernible except midnight gloom. "We entered there," said the lovely conjurer, as the impressed musician began to believe that she was, "and by that passage we must depart. Come, and I will show you how to make use of the charm by which you may enter when you desire. Follow me.' Through the aperture, hardly spacious enough to bedigued by title of door, they emerged into a darkness that was inky blackness to their eyes accustomed to the silvery refulgence of the moonlit room just forsaken. Taking his hands in hers, Eirene showed him, by means of the sense of touch, the structure of the outer wall, and what method he must use in order to avail himself of the secret, then, still clasping one hand in hers, she led him back as they had come, the student's heart meanwhile beating so wildly at the thrill that swept over him through the contact with the soft hand, that he felt as if the entire castle must echo its throbbing. When once again they stood on the bridge after that awful silence which existed in the heart ...
