Blamed: A Blood Money Novel Edie Harris

Born into a long line of spies, sanctioned killers and covert weapons developers, Beth Faraday carried out her first hit-for-hire when she was still a teenager.

That part of her life—the American spy royalty part—ended one year ago, with a job gone wrong in Afghanistan. The collateral damage she caused with a single shot was unfathomable and, for Beth, unforgivable. She's worked hard to build a new life for herself, far away from the family business.

But someone, somewhere, hasn't forgotten what Beth did in Kabul. And they want revenge.

As the Faraday clan bands together to defend Beth and protect their legacy, Beth is forced to flee her new home with the unlikeliest of allies—MI6 agent Raleigh Vick, the only man she's ever loved. And the one she thought she'd killed in the desert.
