Juan Masiá Clavel

Cuidar la vida: Debates bioéticos (Religión Digital) (Spanish Edition) Juan Masiá Clavel

«¿Es usted pro-abortista o anti-abortista?, ¿contrario o favorable a la eutanasia?, ¿partidario de informar al paciente o de engañarle?». Tal forma de preguntar conlleva planteamientos dilemáticos y respuestas disyuntivas (sí o no, blanco o negro). Cuando los medios airean semejantes cuestiones, dividida la opinión pública en extremismos por presiones ideológicas de índole política o religiosa, resulta difícil tratar los problemas con seriedad científica y ética. El intento de hacerlo se expone a los tiros desde ambos frentes: para unas críticas parecerá progresismo a ultranza; para otras, conservadurismo disimulado.

Asumiendo ese riesgo, a petición de personas interesadas en su lectura, he retocado la forma y matizado el fondo de los ensayos agrupados en la presente compilación de conversaciones en torno al tema del cuidado de la vida. Proceden de dos fuentes diversas de escritos, elaborados en gran parte durante la última década. Unos, de artículos o ponencias especializadas; otros, de conferencias, columnas de prensa y charlas de sobremesa [...] Deseo que una lectura crítica pueda prolongar, mediante el diálogo, las conversaciones originales.»
