En busca del orden perdido: La idea de la Historia en Felipe Guaman Poma de Ayala (Spanish Edition) Juan Ossio

La historia de la sociedad andina antes de la Conquista ha sido un reto para los investigadores, ya que no existen testimonios directos de la época. Juan Ossio, historiador y antropólogo peruano, aborda este tema en el libro *En busca del orden perdido* trabajo que fuera presentado por primera vez hace casi treinta y ocho años como su tesis para optar el título de Bachelor Litterae en la Universidad de Oxford. El volumen es la quinta entrega de la Colección de Estudios Andinos dirigida por Marco Curatola y editado por el Fondo Editorial de la PUCP.

Esta investigación, explica Ossio, tiene por finalidad entender la representación andina del pasado y contribuir a la crítica histórica sugiriendo una perspectiva distinta. A diferencia de los trabajos pioneros de Tom Zuidema, que son el germen de la obra de Ossio, su aproximación tiene como punto de partida un individuo que puede ser localizado en el tiempo y en el espacio.

Al escoger a Guamán Poma, el propósito de Ossio ha sido utilizarlo como informante, tal como sus paisanos o él mismo pudieron ser para los españoles, e interrogarlo sobre su actitud hacia el pasado.
