## **Low Volume 3: Shore of the Dying Light** Rick Remender

Stel Caine rises from the depths to the surface of the earth, the first human in millennia to walk on the sun-blasted wasteland. But her daughters aren't far behind, and not everyone shares Stel's hopeful outlook for the future. Will this family reunion reveal the key to mankind's salvation...or snuff out the light forever? Rick Remender (Black Science, Tokyo Ghost) and Greg Tocchini (Last Days of American Crime) proudly present the third chapter in the ongoing aquatic sci-fi epic. "Tocchini's dreamy renderings, and Remender's confessional tone equips readers to explore the depths of epic grief in this heroine's tale." –Cassandra Clark, Multiversity Comics "Remender and Tocchini have crafted a rich world, loaded with its own deep history, societal norms and resentments." –Robert Tutton, Paste Magazine "Low is so rich with beauty, yet depressing as hell. I love every page of it." –Nick Couture, Comicosity
