**Participatory Research with Children and Young People** Susan Groundwater-Smith, Sue Dockett, Dorothy Bottrell

This book sets out a clear framework for conducting participatory research with children and young people within a discussion of the rights of the child. Through extensive case studies and a close review of contemporary literature, in relation to early childhood through to late adolescence, the book serves as a critical guide to issues in participative research for students and researchers.

The book includes chapters on:

- Designing your research project
- Ethical considerations
- Innovative methods
- Publication and dissemination.
