James William Thirtle

The Titles of the Psalms: Their Nature and Meaning Explained (Classic Reprint) James William Thirtle
In the following pages I propound a new treatment of the Psalm Titles, especially the Musical Titles. I have endeavoured to set forth my views in a plain manner, and, as far as possible, to avoid side issues and extraneous considerations. It would have been easy to enlarge on several points of great interest; but the exercise of such freedom would have involved undesirable delay in placing my observations before Bible students in general. I think enough has been said to make my position clear, and to evoke discussion along lines that promise important results to legitimate research. On some grounds I should prefer to have developed the subject more thoroughly before sending forth my book. Others, doubtless, will complete what I have begun. I remember the wise saying of Rabbi Tarphon :I tis not incumbent on thee to complete the work, yet art thou not free to leave it alone.
