David Cortright

Gandhi and Beyond: Nonviolence for an Age of Terrorism David Cortright

"David Cortright is a life-long activist and respected scholar. In *Gandhi and Beyond*, he convincingly shows the power of nonviolence as a philosophy of life, not just a method of social action. His practical analysis of Gandhi, Martin Luther King, Dorothy Day, Cesar Chavez, and others brings new insights and inspiration to those of us attempting to live that philosophy, and to those, especially a new generation, who are seeking a better way to respond to their world. I commend this book to all who are seeking an alternative to violence." Jim Wallis, author of *God's Politics* and editor of *Sojourners* Is there room for nonviolence in an age of terrorism? Drawing on the legend and lessons of Gandhi, Cortright traces the history of nonviolent social activism through the early twentieth century to the civil rights movement, the Vietnam era, and up to the present war in Iraq. *Gandhi and Beyond* offers a critical evaluation and refinement of Gandhi's message, laying the foundation for a renewed and deepened dedication to nonviolence as the universal path to social progress and antidote to terrorism.
