Cry Me A River

Ernest Hill

Cry Me A River Ernest Hill

Ernest Hill has always been a writer of great power and psychological depth, creating characters that resonate brilliantly beyond the boundaries of gender and race. *Cry Me A River* is a remarkable book. It runs deep and it runs fast. --Robert Olen Butler, author of the Pulitzer Prize-winning *A Good Scent from a Strange Mountain*

An absentee father from a "no good" family, Tyrone Stokes was imprisoned for shooting a man in a convenience store. His wife saw her chance to end their marriage and raise their son, Marcus, on her own. Now Tyrone has returned to Brownsville, Louisiana, to discover that his boy needs help--help that Tyrone is desperate to give, if he can only figure out how.

Marcus has been convicted of the rape and murder of a young white girl. An execution date is set, and it's rumored that the Governor will refuse clemency. Tyrone is convinced Marcus is innocent, despite a stack of evidence against him--but he is also wracked by knowledge of all the ways he has failed his son. Against all odds, Tyrone sets out to keep Marcus alive--and perhaps put his family back together again.

"Hill is a skilled storyteller." --*New York Times Book Review*

"I couldn't put it down. . . Would fit well on the shelf with the works of Richard Wright and Chester Himes."
--Ernest J. Gaines, bestselling author of *A Lesson Before Dying*

From reader reviews:

Julianna Pepper:

Nowadays reading books become more than want or need but also become a life style. This reading habit give you lot of advantages. The advantages you got of course the knowledge your information inside the book that improve your knowledge and information. The details you get based on what kind of guide you read, if you want have more knowledge just go with education and learning books but if you want truly feel happy read one using theme for entertaining for example comic or novel. The particular Cry Me A River is kind of guide which is giving the reader erratic experience.

Bertha Buentello:

Reading can called mind hangout, why? Because when you are reading a book mainly book entitled Cry Me A River your brain will drift away trough every dimension, wandering in each aspect that maybe unfamiliar for but surely might be your mind friends. Imaging every single word written in a reserve then become one contact form conclusion and explanation that maybe you never get previous to. The Cry Me A River giving you an additional experience more than blown away the mind but also giving you useful details for your better life with this era. So now let us explain to you the relaxing pattern at this point is your body and mind is going to be pleased when you are finished examining it, like winning a casino game. Do you want to try this extraordinary spending spare time activity?

Keely Charles:

Is it you actually who having spare time then spend it whole day through watching television programs or just resting on the bed? Do you need something totally new? This Cry Me A River can be the response, oh how comes? The new book you know. You are so out of date, spending your time by reading in this fresh era is common not a nerd activity. So what these books have than the others?

Jeffrey Chambers:

What is your hobby? Have you heard in which question when you got learners? We believe that that question was given by teacher to their students. Many kinds of hobby, Everybody has different hobby. Therefore you know that little person similar to reading or as reading become their hobby. You should know that reading is very important as well as book as to be the point. Book is important thing to incorporate you knowledge, except your personal teacher or lecturer. You get good news or update with regards to something by book. Amount types of books that can you choose to use be your object. One of them is Cry Me A River.
