## **Henry V (Bantam Classics)** William Shakespeare

A triumphantly patriotic play that also casts a critical eye at war and warriors, this great epic drama depicts a charismatic ruler in a time of national struggle. The young King Henry's victory over the French despite overwhelming odds creates a spectacle of action, color, and thundering battles. Whether the warrior-king is urging his men "Once more unto the breach, dear friends," or wooing Katharine of France, Henry is magnificently adapted to the role he must play in England's greatness. **Henry V** represents the culmination of Shakespeare's art as a writer of historical drama.
