An interactive study book designed for victims of clergy abuse, this book is based upon Bible study to help Christians overcome abuse from churches or clergy. Appropriate for either group study or private study, this book supplies six weekly lessons and a seventh, closing review lesson. It also supplies six weeks (42 days) of short, daily devotional studies to help the reader understand that God Himself, as Jesus Christ, has shared in suffering unjustly at the hands of false religious leaders. This book is a good starting point for abused Christians who ask, "Why did God let this happen?" The Lambs Workbook is excellent for individual use, group study, or even book clubs.
