At a whopping 1,600 pages, with some 35,000 of the greatest movies ever made, this encyclopedia by the editors of TV Guide's award winning, world-renowned Cinebooks Database is simply indispensable. Die-hard movie buffs and the merely curious will both be thrilled at how easily they'll find the answer to any question they have: everything is cross-referenced, including indexes to the actors, the directors, and the films themselves (also arranged by star ranking). Independent and foreign films appear along with Hollywood favorites, and all the movies receive far more in-depth reviews than in any other guide to cinema. Each generous entry includes complete cast listing, detailed plot synopses, exhaustive production credits, musical score information, lists of Oscar™ nominees and winners, and much more. Millions of fans of TV Guide, the world's most widely read weekly publication with 30 million loyal readers, will want to own this!
