## **A Passionate Faith: What makes an evangelical?** Richard Turnbull

“Evangelical” is a badge, a line in the sand, a term of abuse, a much-overworked word. What are the key markers of the evangelical faith? How did the movement come into being, and how is it changing? What is its style, then and now, and what is its theology? Richard Turnbull shows how and why the evangelicals have not only survived, but have grown strong, and explains their unique contribution to world Christianity. He covers the historical roots of evangelical spirituality; the place of the Bible; the concepts of conversion, personal transformation and call; evangelism and service; worship and revival.
