In 1995, a young girl living with her abusive mother commits suicide. Shortly afterwards, her spirit returns to the house, only to find her mother gone and strangers moving in. She also finds the older spirits who dwell there, beginning a powerful battle for control of the house - and trapping its new residents in the middle.

Overshadows chronicles the events of this terrifying multiple haunting, but more importantly, it shares the incredible discoveries made during the course of a six-year investigation. This book will challenge and disprove classic theories, and create upheaval in the circle of life-after-death research.
