Tinker Bell can't resist a quick peek at the world of winter, even though there are strict rules against warm-weather fairies crossing the border into the Winter Woods. To her surprise, her wings begin to sparkle and glow! But they also begin to freeze, and Tink barely gets back to the warm weather in time. Fascinated by what she saw, she doesn't let the cold stop her, and she sneaks back across the border to team up with a winter fairy named Periwinkle. Soon they discover that their friendship could threaten the entire fairy realm...or it could bring warm-weather and cold-weather fairies together at last. Join the adventure with this retelling of the story from the hit movie, including eight pages of full-color stills!
