The 10th Victim Robert Sheckley

It's the twenty-first century and the ugliness of war no longer exists, except on a very personal level. Nowadays, people like Marcello Polletti, seller of Roman sunsets, and Caroline Meredith, lithe, beautiful, blond, and backed by corporate sponsors and the Roy Bell Dancers, hunt, chase, and kill one another for sport and for the entertainment of the masses—until something oddly like personal human feelings pops up to confuse the players and up the stakes as each of them seeks to kill a tenth victim and rise in the ranks of the hunters.

From the very beginning of his career, Robert Sheckley was recognized by fans, reviewers, and fellow authors as a master storyteller and the wittiest satirist working in the science fiction field. Open Road is proud to republish his acclaimed body of work, with nearly thirty volumes of full-length fiction and short story collections. Rediscover, or discover for the first time, a master of science fiction who, according to the *New York Times*, was “a precursor to Douglas Adams.”
