When Forgiveness Doesn't Make Sense Robert Jeffress

Forgiveness Is Always Difficult and Often Illogical. But It's the Only Remedy God Offers to Heal Our Hearts.

With the experience of more than two decades in the ministry, Dr. Robert Jeffress has come to the conclusion that forgiveness is the bottom-line issue of life. Failure to receive God's forgiveness results in eternal hell; failure to grant forgiveness to those who have hurt us results in a living hell.

While most people - especially Christians - esteem the concept of forgiveness in theory, few have mastered what one person has called "the art of forgiveness." As C.S. Lewis once said, "Forgiveness is a beautiful word, until you have something to forgive."

When Forgiveness Doesn't Make Sense is an intensely biblical yet extremely practical approach to this crucial issue.

Dr. Jeffress deals with the major misunderstandings about forgiveness: believing you cannot forgive those who never ask for it, confusing forgiveness with forgetting or with reconciliation, and believing that forgiveness automatically erases the consequences of harmful actions. Dr. Jeffress explains the process of our forgiveness by God, as well as the power of our forgiveness of others.

Readers will also learn questions to ask themselves before they seek forgiveness from another, essentials of an effective apology, reasons others may refuse to forgive them, action steps for dealing with painful memories, a check-list to determine whether they have genuinely forgiven another, and much more.

Forgiveness is difficult and often illogical. But *When Forgiveness Doesn't Make Sense* will equip and encourage readers to become more forgiving-and to experience God's forgiveness more deeply.

At some time in our lives we will be hurt deeply by another person. It may be a family member who mistreats us, a business associate who cheats us, a child who rebels against us, a friend who betrays us, a mate who deserts us, or a God who disappoints us. While we can't control the hurts that come into our lives, we can choose what to do with those hurts. We can let them make us bitter, or we can release them through forgiveness. While forgiveness doesn't always seem to make sense, as Dr. Robert Jeffress explains in his important new book, it is the only way God has given us to effectively resolve the pain of our past. More importantly, it's the obligation of every Christian.
