**Turn everyday photos into stunning works of art, with this essential guide to photography**

Featuring gorgeous photographs taken by the members of the photography industry's largest social network of female photographers, Clickin Moms, this accessible and gift-worthy guide provides both the inspiration and skills every photographer needs to capture life's beautiful moments as frameable pieces of art—from breakfasts to birthday parties and first steps to first days of school.

With big, bold images paired with short, easy-to-follow tips progressing from elementary to advanced, this book is perfect for amateurs and professionals alike, covering equipment, composition, posing, low light, natural light, black and white, still life, and lifestyle photography. Assignments for experimenting with lighting and shooting locations round out the chapters, and advice based on photographs from over 100 contributors include these priceless suggestions:

- Channel the old masters—painters such as Rembrandt and DaVinci are great inspiration
- Anticipate emotion—watch for laughter and surprise
- Embrace harsh lighting, backlighting, dappled sunlight and shade and use them to your advantage
- Emphasize texture and seek out patterns—repetition can be striking and bold
- Shoot from unexpected angles—sometimes the best shot is from below, behind, or above
