Convergence Journalism: Writing and Reporting across the News Media Janet Kolodzy

Book Companion Site For at least a decade, media prognosticators have been declaring the death of radio, daily newspapers, journalistic ethics, and even journalism itself. But in *Convergence Journalism*, an introductory text on how to think, report, write, and present news across platforms, Janet Kolodzy predicts that the new century will be an era of change and choice in journalism. Journalism of the future will involve all sorts of media: old and new, niche and mass, personal and global. This text will prepare journalism students for the future of news reporting.
