La sal de la tierra (Libros Palabra) (Spanish Edition)

Joseph Ratzinger

La sal de la tierra (Libros Palabra) (Spanish Edition) Joseph Ratzinger

El Papa, siendo prefecto de la Congregación para la Doctrina de la Fe, afrontó en este libro-entrevista los principales problemas del cristianismo y de la Iglesia católica. A través de estas páginas el lector puede entrar a fondo en la vida, la actuación y el pensamiento de Joseph Ratzinger: su infancia, aficiones y familia; su vocación sacerdotal y actividad teológica; su intervención en el Concilio Vaticano II, su trabajo como arzobispo de Munich y, luego, al frente de la Congregación para la Doctrina de la Fe. Joseph Ratzinger se nos muestra como un pensador de altura que ha profundizado en los grandes temas de nuestro tiempo y aborda las cuestiones más candentes sobre teología de la liberación, bioética, celibato sacerdotal, disidencia, la situación de la Iglesia en diversos países y sus relaciones con otras religiones. El Cardenal responde con franqueza y serenidad desde la fe cristiana y desde su experiencia, sin rehuir ninguna pregunta por dolorosa o incómoda que resulte. Este libro no sólo ofrece una información extraordinaria, sino que, sobre todo, invita a quien lo lee a plantearse cuestiones decisivas porque, verdaderamente, se trata de un libro provocador y apasionante. El periodista alemán Peter Seewald ha conseguido unas declaraciones impresionantes, por su extensión y profundidad, sobre multitud de cuestiones que importan a todo el mundo. Libro sorprendente, por su estilo y su contenido.
