No Sharks in the Med and Other Stories Brian Lumley

Prior to the first American Publication of Brian Lumley's ground-breaking, dead waking, best-selling Necroscope ® in 1988--the first novel in a long-lived, much-loved series--this British author had for twenty years been earning an envious reputation writing short stories, novellas, and a series of novels set against H. P. Lovecraft's cosmic Cthulhu Mythos backdrop. In addition and for a further twenty years Lumley's non-Mythos Fantasy, SF, and Horror stories have been appearing on a regular basis in some of the world's most famous publications; for example The Magazine of Fantasy & Science Fiction, and Weird Tales, along with anthologies such as Karl Edward Wagner's Year's Best Horror Stories, Charles L. Grant's Final Shadows, and Kirby McCauley's Frights, among others.

With his multiple-award-winning literary career now spanning over four decades, Lumley continues to write his superior fictions, examples of which from each of those decades can be found in this current collection, where Weird Tales itself is represented by no less than five stories!

And so, to complete a trilogy of volumes begun with the Lovecraft-inspired The Taint and Other Novellas, and followed by Haggopian and Other Stories, Subterranean Press is now proud to offer No Sharks in the Med and Other Stories, a handpicked collection of Brian Lumley's best macabre tales...

From reader reviews:

Kathy Natal:

The book No Sharks in the Med and Other Stories can give more knowledge and also the precise product information about everything you want. Why must we leave the best thing like a book No Sharks in the Med and Other Stories? Some of you have a different opinion about publication. But one aim that will book can give many information for us. It is absolutely correct. Right now, try to closer with the book. Knowledge or info that you take for that, it is possible to give for each other; it is possible to share all of these. Book No Sharks in the Med and Other Stories has simple shape but you know: it has great and big function for you. You can appearance the enormous world by start and read a publication. So it is very wonderful.

Curtis Locke:

As people who live in often the modest era should be upgrade about what going on or data even knowledge to make these keep up with the era which is always change and move ahead. Some of you maybe can update themselves by reading books. It is a good choice in your case but the problems coming to you actually is you don't know what kind you should start with. This No Sharks in the Med and Other Stories is our recommendation to make you keep up with the world. Why, since this book serves what you want and need in this era.

Gary Simms:

Nowadays reading books are more than want or need but also turn into a life style. This reading habit give you lot of advantages. The advantages you got of course the knowledge the rest of the information inside the book which improve your knowledge and information. The details you get based on what kind of book you read, if you want send more knowledge just go with schooling books but if you want sense happy read one together with theme for entertaining like comic or novel. The particular No Sharks in the Med and Other Stories is kind of reserve which is giving the reader erratic experience.

Susan Gaier:

Do you one of the book lovers? If so, do you ever feeling doubt if you are in the book store? Attempt to pick one book that you just dont know the inside because don't assess book by its handle may doesn't work at this point is difficult job because you are scared that the inside maybe not because fantastic as in the outside seem likes. Maybe you answer may be No Sharks in the Med and Other Stories why because the fantastic cover that make you consider in regards to the content will not disappooint an individual. The inside or content is fantastic as the outside or maybe cover. Your reading sixth sense will directly guide you to pick up this book.
