International Code Council

2006 International Fuel Gas Code & Commentary International Code Council

Navigate easily through this CD-Rom using Adobe Reader. View all text, illustrations, figures, equations, and tables. This comprehensive publication provides a convenient reference for regulations in the 2006 International Fuel Gas Code® (IFGC®). The commentary series is presented in an easy-to-understand format. Every chapter begins with "General Comments" and "Purpose" sections followed by code and commentary to subsequent sections, tables and figures. This in-depth publication focuses on providing the full meaning and implications of the 2006 IFGC®. The commentaries are designed to suggest the most effective method of application, and the consequences of not adhering to the code. This is an excellent reference for code officials, engineers, architects, inspectors, plans examiners, contractors and anyone who needs a better understanding of the 2006 IFGC®. 390 Pages This CD is protected from duplication by protected pdfTM and requires Adobe® Reader® 7.0 or later. You are required to login to our secure server and register your copy. You will be able to install this software no more than two times as provided in the license agreement. Neither concurrent use on two or more computers nor use in a local area network or other network is permitted. This CD is Windows and Mac compatible.
