## **Athenian Democracy (Lancaster Pamphlets in Ancient History)** John Thorley

The fifth century BC witnessed not only the emergence of one of the first democracies, but also the Persian and the Peloponnesian Wars. John Thorley provides a concise analysis of the development and operation of Athenian democracy against this backdrop. Taking into account both primary source material and the work of modern historians, *Athenian Democracy* examines:

- \* the prelude to democracy
- \* how the democratic system emerged
- \* how this system worked in practice
- \* the efficiency of this system of government
- \* the success of Athenian democracy.

Including a useful chronology and bibliography, this second edition has been updated to take into account recent research.
