Doctor Who and the Ark in Space

Ian Marter

Doctor Who and the Ark in Space Ian Marter

The survivors of a devastated future Earth lie in suspended animation on a great satellite. When Earth is safe again, they will awaken. But when the Doctor, Sarah and Harry arrive on the Terra Nova, they find the systems have failed and the humans never woke.

The Wirrn Queen has infiltrated the satellite, and laid her eggs inside one of the sleepers. As the first of the humans wake, they face an attack by the emerging Wirrn.

But not everyone is what they seem, and the only way the Doctor can discover the truth is by joining with the dead mind of the Wirrn Queen. The price of failure is the Doctor's death, and the end of humanity.

This novel is based on a Doctor Who story which was originally broadcast from 25 January to 15 February 1975.

Featuring the Fourth Doctor as played by Tom Baker, and his companions Sarah Jane Smith and Harry Sullivan
