Funding for United States Study: A Guide for International Students and Professionals (Funding for Us Study) Marie O'Sullivan, Sara Steen

An indispensable resource for study and research in the U.S. for international students and professionals, Funding for U.S. Study features detailed descriptions of more than 600 fellowships, grants, scholarships and paid internships for undergraduates, graduate students and postdoctoral students as well as working professionals. The sponsors of all awards welcome applications from foreign nationals and a substantial number of awards are specifically intended for international use. Sponsors are U.S. and foreign governments, colleges and universities, educational associations, libraries, research centers, foundations, corporations and other organizations.

Each award description includes: -Name, address, telephone and fax number and E-mail address of the award-granting agency -Purpose of the award -Amount and type of financial support -Location for use - Number of awards granted each year -Eligibility requirements, restrictions and duration of award - Application deadline and notification date -How to apply

Funding for U.S. Study is arranged by country of origin of potential applicants. Indexes organize the awards by sponsoring institution, field of study, academic level and type of award, amount of support, destination, and any special conditions required to qualify for the award.
