Nampa (Images of America)

Larry Cain

Nampa (Images of America) Larry Cain

Nampa began as a railroad siding on the Idaho Central Railway in 1885. There was no town then, only a water tower and a few shacks. In 1886, however, Alexander Duffes incorporated the town of Nampa. A year later, the Boise & Idaho Railway was completed, and the town grew from 15 to 50 houses. By 1904, cultivated land reached 40,000 acres. The Deer Flat Reservoir, finished in 1909, irrigated 150,000 acres, and farms, livestock, and fruit orchards flourished across the desert. Canning and evaporating facilities were built to process local crops, and an iron foundry, lumber yards, and other industries helped the town grow to 1,500 people. Three railroads met in Nampa to transport local goods to the markets of the world. Today, Nampa is Idaho's second-largest city.
