Outside the Lines: A Novel Amy Hatvany

A gripping novel about a woman who sets out to find the father who left her years ago, and ends up discovering herself.

When Eden was ten years old she found her father, David, bleeding on the bathroom floor. The suicide attempt led to her parents' divorce, and David all but vanished from Eden's life.

Twenty years later, Eden runs a successful catering company and dreams of opening a restaurant. Since childhood, she has heard from her father only rarely, just enough to know that he's been living on the streets and struggling with mental illness. But lately there has been no word at all. After a series of failed romantic relationships and a health scare from her mother, Eden decides it's time to find her father, to forgive him at last, and move forward with her own life. Her search takes her to a downtown Seattle homeless shelter, and to Jack Baker, its handsome and charming director. Jack convinces Eden to volunteer her skills as a professional chef with the shelter. In return, he helps her in her quest.

As the connection between Eden and Jack grows stronger, and their investigation brings them closer to David, Eden must come to terms with her true emotions, the secrets her mother has kept from her, and the painful question of whether her father, after all these years, even wants to be found. The result is an emotionally rich and honest novel about making peace with the past—and embracing the future.
