## **Portrait of a Turkish Family** Irfan Orga

Irfan Orga was born into a prosperous family in the twilight of the Ottoman Empire. His mother was a beauty, married at thirteen, who lived in the seclusion of a harem, as befitted a Turkish woman of her class. His grandmother was an eccentric autocrat, determined at all costs to maintain her traditional habits. But the First World War changed everything. Death and financial disaster reigned, the Sultan was overthrown and Turkey became a republic. The family was forced to adapt to an unimaginably impoverished life. In 1941 Irfan Orga arrived in London, and seven years later he wrote this extraordinary story of his family's survival.
