One of Cathy Duffy's 100 Top Picks for Homeschool Curriculum! This user-friendly, unabashedly Christian, one-year science curriculum for elementary students includes teaching lessons, gorgeous coloring pages, hands-on time, memorization lists, review sheets, creative writing assignments, and an awesome supplemental book list! Written for 3rd through 6th graders, it can easily be scaled down for younger students, making this an excellent choice for teaching all your elementary-aged kids together. The schedule of 35 weekly lessons calls for teaching twice weekly, allowing a family time for projects, exploration of resource books, field trips, etc. The conversational style gives students the basic information they need, making this an ideal first course in life science; especially useful for those following a classical approach!
