## **L'ESTHETIQUE NEW WAVE (French Edition)** Guillaume Gilles

De Pere Ubu aux Specials, des Talking Heads à The Cure, quelle étiquette peut se vanter de regrouper autant de styles musicaux que la new wave ? À l'origine d'autant de succès pop planétaires que de chansons cultes de la scène alternative, les influences de la new wave sont aussi diverses que les groupes qui la composent. Reggae, disco, krautrock, funk, viennent nourrir des riffs élaborés sur des synthétiseurs et une technologie au service du « Do It Yourself » punk que l'on croyait enterré. Dans la new wave, toute une nouvelle scène de jeunes groupes éclectiques tente de construire son propre univers, robotique, absurde, introspectif ou noir, même s'il ne ressemble à rien de connu. Avec des looks plus spécifiques les uns que les autres, des théories délirantes sur la modernité et un son unique, la new wave est le vivier d'une multitude de tendances qu'il était essentiel d'éclaircir et d'analyser dans un même ouvrage thématique.
